

Dear Cyclists,

On 11 October 2014 Bike Info Luxembourg project is organizing the bike festival in Esch/Alzette:
Urban Cycling Day #2.

The festival aims at promoting the culture of Urban Cycling in Luxembourg, and encouraging people to start using bicycles instead of cars in their everyday life.

URBAN CYCLING DAY #2
@14h, in KuFa
11 OCTOBER 2014 (Saturday)

WHAT WILL BE THERE?

Presentations:

- Urban cycling: get started
- Cycling for beginners (by beginners)
- Low cost one-day bicycle trips
- Long distance cycling
- Bike communities in Luxembourg
- Why workshops don't work out?

Demonstrations

- How to wash and clean your bike?
- Bike check-list: what to check before a ride?

Photo-exhibition: "People on bicycles"

Bicycle exhibition: "Have a Look!"

And...

- Screening of videos (the topics will be announced soon)
- Bike Repair Café

At 17h everyone can join a **Round Table with a representative of the government of Luxembourg**. You will have a chance to **ask your questions** on bicycle infrastructure in our country, plans of its development, and other topics. You are very welcome to **express your opinion and suggestions!** If you already have an idea what you'd like to ask – please, send your questions to **contact@bike-info.lu!**

There will be also **free access to BBQ**: you can grill whatever you want!

The Festival will end with the **Néoh Ride** around 20h if the weather is good.
