**Mikael Colville-Andersen** is the CEO & Founder of Copenhagenize Design Co. He is an urban mobility expert and one of the leading voices in global urbanism. He consults client cities and governments worldwide and also applies his marketing expertise on communication campaigns promoting bicycles as transport. His presentation is supported by a host of pictures and diagrams.

Conference attendance is free of charge

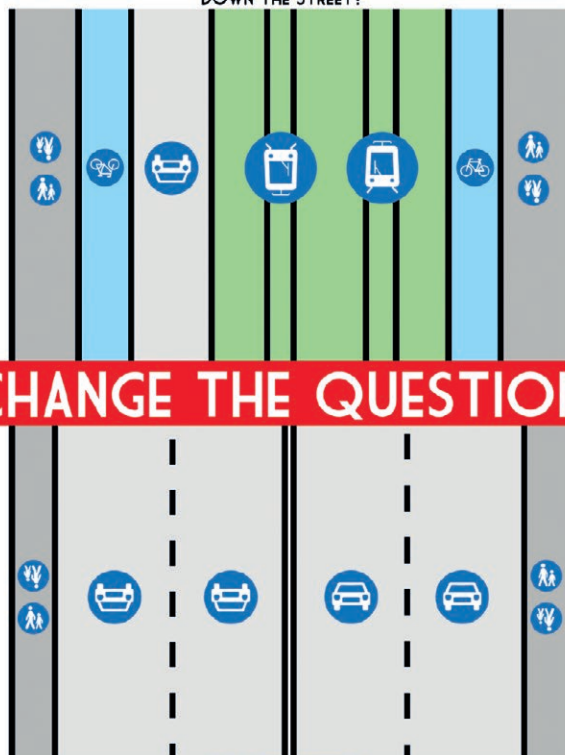

Conference language: English (traduction française assurée)

There is a limited number of seats, so please confirm your attendance by mail to [velo@tp.etat.lu](mailto:velo@tp.etat.lu) including the following information: first and last name, e-mail address, address, institution/company name, numbers of seats to be reserved (max. 4 seats per reservation) latest before May 9<sup>th</sup>, 2014.

Applicant's definite participation (to be confirmed by MDDI in written form along with the entrance ticket) will depend on the date of application.

For further information, please contact: [christophe.reuter@mob.etat.lu](mailto:christophe.reuter@mob.etat.lu) (Ministère du Développement durable et des Infrastructures, Cellule mobilité douce)
